Cheddar Bun: Bread is toasted in same toaster as the cheddar bread, which contains milk products, so rest of the breads may contain traces of milk products. *Product is cooked in the same oil as fish products. The information provided on this poster and on the website has been provided by BURGER KING® suppliers. Our kitchens and food-handling procedures are designed to help ensure your safety and health. While we carefully segregate ingredients to avoid possible traces of allergens, we cannot guarantee an allergen free environment or products. All fried products may be prepared in the same oil as chicken, cheese and fish products. Therefore all fried products may contain traces of allergens present in the rest of our fried products. Although we take great care to remove bones from or meat, poultry and seafood products, some small bones may still be present. For more information regarding specific products, please reference the chart shown on this document or visit www.burgerking.co.uk. Kcal meal value based on regular fries and regular Coca-Cola. Meal includes regular fries and regular soft drink. Breakfast served until 11am. Desserts and shakes subject to availability. Cost of toy is included in the kids meal price. Toy subject to availability. Subject to availability. Participating restaurants only.
